

Midland School Alliance

St Peter's Comprehensive 11-16 year olds

Annual Report 2000-01

Name: Martin Semple Class: JH1 Age: 14 Year: 10

Gradings: A – Excellent, B – Good, C – Average, D – below average, E – very poor

Effort: 5 – maximum, 4 – above average, 3 – average, 2 – poor, 1 – very poor

| Subject | Grade | Effort | Comment |
|----------|-------|--------|--|
| Maths | E | 1 | Martin's lack of attendance has made his progress almost unmanageable. When he has been here, his work has been minimal. |
| English | E | 1 | When you get past Martin's writing being unintelligible and actually manage to read it, you realise how he has just written the same thing multiple times. With no motivation, he cares very little about how well he does, and this needs to improve. |
| PE | C | 3 | Martin has always been a keen sportsman, liking to play rugby and football in particular. What has let him down, however, is his aggressive attitude – wanting to fight almost any student who tries to tackle him. |
| Drama | D | 2 | If Martin could aim the energy he puts into showing off to girls into the effort he puts into his performances, he would be able to rival most working actors. As it is, he is very poor working in groups, spending much of the time arguing with other students. |
| Science | E | 1 | Martin's attitude is very poor. He is unwilling to do work or respond positively to other students, and his grade suffers as a result. |
| Business | D | 2 | Martin has a good business mind on him. Unfortunately, he spends his time doodling and staring out the window rather than working, meaning the work he does is minimalistic. |

Tutor's Overall Comment on Attitude and Behaviour

I have been very disappointed with Martin this term. Having started in year 7 with such promise, he seems to have taken a steep incline. More recently, he has developed an angry attitude toward staff and his peers. He is often refusing to do work and getting into confrontations with other students. I am growing increasingly concerned by not only his lack of work, but his lack of attendance, and am worried that if he continues to truant, the school will have no choice but to pursue his lack of attendance with the law.

I hope Martin is able to take our offer of support, and look for ways he can improve, as he still has time to make a chance and do well in his GCSEs.
